Subject RE: Test Plan and Robust Summary Materials for CAS#  
99-71-8

Dear Mr. Taylor,

Attached are the updated robust summaries and test plan including the additional chemical CAS No. 99-71-8. If you have any questions, please contact me.

Thank you.

Rama

Hi Rama,

Unfortunately, we have no record of Administrator Stephen Johnson receiving those materials. You can re-send the materials to EPA via certified mail as you had previously done, but you might also want to

send the materials to me via **email** so I could get them processed immediately and we would know that they arrived safely.

Subject  
RE: Test Plan and Robust Summary  
Materials for CAS# 99-71-8

Dear Mr. Taylor,

The HPV robust summary and test plan for CAS No. 99-71-8 were included as part of the "Alkylphenols" submission which has been updated and sent to the US EPA by certified mail. Attached is a cover letter and it has been sent to the attention of Dr. Stephen L. Johnson on Feb 28th. A copy of the cover letter is attached.

If you are not able to locate it, I will resend the documents. Please

let me know.

Thank you.

Subject: Test Plan and Robust Summary Materials for **CAS#** 99-7 1-8

Hi **Rama** Vithala,

I have a note for myself that on 3/12/06, you sent me an **email** regarding test plan and robust summary materials for CAS# 99-7 1-8. I recall in that **email** that you said you were supplying materials directly to our Non-Confidential Information Center (NCIC) for official processing. However, I have not yet seen the official processing of these documents. Therefore, would you like to send an **email** to me with the materials, and then I'll make sure the materials get officially processed right away? Please let me know how you would like to proceed.

Thank you,

Jeff

Stephen L. Johnson, Administrator  
U.S. Environmental Protection Agency  
P.O. Box 1473  
Merrifield, VA 22116

Attn: Chemical Right-To-Know Program

Dear Administrator Johnson,

Schenectady International Inc., submits the robust summary and test plan for 4-(1-methylpropyl)-phenol (CAS No. 99-71-8) that **SI** volunteered to sponsor under the HPV Chemical program, on April 8, 2004. This chemical is included as part of the **Alkylphenols** Category, previously submitted (AR 201-13007). Please replace the existing submittal in your files and **website** with the updated test plan and robust summary.

If you have questions or comments, please contact me.

Sincerely,

**Rama** Vithala, Ph.D.
